I am a responsible, dynamic, and creative professional with strong adaptability and teamwork skills, even in high-pressure environments. I proactively solve problems and am committed to achieving organizational goals. As a follower of Christ, I strive to reflect values such as integrity, humility, and service in my work. I stay updated on the latest trends and technologies in web design and programming to deliver innovative solutions.

PROFESSIONAL EXPERIENCE

Turian INC.   **San Juan, Dominican Republic**
Graphic Designer   *Feb 2020–Dic 2024*

- Implemented innovative visual strategies for corporate identity design, enhancing clients' brand perception.
